Harumi: What are you going to do this afternoon?

David: I'm going to watch a soccer game on TV with my sister. Our favorite players are in the game.

David: Hi! Are you going to the fireworks festival this evening?

Harumi: Yes! I will wear a yukata with beautiful flower designs. I can't wait for it.

David: Me too! Shall we go together?

Harumi: Yes, let's go! But I want to have dinner before the fireworks festival. There is a nice restaurant in front of the station. So, let's have dinner first.

David: That's a good idea!

Question: Where will they go first?

David: Look! This is a picture of my room.

Harumi: Oh, do you have a cat? A cat is on the bed.

David: Yes. He is Max. But I have two cats. Can you see the other one?

Harumi: Umm, there is a big bag under the table. I think there is something in it.

Oh, another cat is in it!

David: Yes! She is Lemon. She loves my bag. So, she often sleeps in it.

Question: Where is Lemon?

Ken: Hi, Yumi. Hi, Bob. What did you eat yesterday?

Yumi: Yesterday, I made takoyaki with Bob at my house. It was very delicious!

Bob: I had a great time yesterday. I ate it for the first time. It was so good! And it was a lot of fun!
How about you, Ken?

Ken: I made okonomiyaki with my brother yesterday. I'm really good at making it. It was very delicious!

Yumi: That sounds nice! I want to try it, too! Let's make it together next time!

Ken: Of course!

Yumi: By the way, I watched a TV program about animals last night. It was very interesting! How about you?

Ken: I watched it, too. The lions were so cool! Did you watch the same program, Bob?

Bob: No. I didn't watch it. I watched a tennis match on TV. It was very exciting!

Hey, why don't we play tennis together tomorrow?

Ken: Sounds good! Let's play!

Yumi: Sorry, I will help my mother tomorrow.

Ken: No problem.

Yumi: I hope you have a great time!

Bob: Yumi, let's play together next time.
