Hello, everyone. My name is Emily. Today, I want to talk about my winter vacation.

This winter, I will go to Nagano with my friend. We will stay there from December 30th to January 3rd. I think it will snow a lot, and the mountains will be very beautiful. I want to enjoy skiing with my friend.

On December 31st, we will eat Toshikoshi soba. After that, we will enjoy a New Year's Eve event at our hotel. At night, we will watch beautiful fireworks there. I can't wait!

Last year, I stayed home and watched movies on December 31st. But this year will be very different. I think it will be a wonderful winter vacation.

How will you spend your winter vacation? Please write about your winter vacation plans in English. That's your homework. Please give it to me next class.

Thank you for listening.
